

SP 15.8 Mistakes

Substantive changes made in the accompanying 3-15-06 revision to the current 4/94 version:

1. Deletes reference to DEAR 970.7106 which is no longer applicable.
2. Reduces the SCOPE to “negotiated subcontracts”.
3. Replaces the text in the PROCEDURES section with the text of the “*Other Solicitations*” subpart of the “*Mistakes in Offers*” section of LLNL’s P-500 with the following modifications to P-500:
 - a. Gives each section its own heading in the left column of the SP.
 - b. Deletes reference to “non-sealed bids” because “negotiated subcontracts” exclude sealed bidding by definition;
 - c. Changes “Group Manager” to “procurement supervisor”; and
 - d. Changes the location of the sample mistake notification letter from DocMan to the Forms Cabinet.
4. Changes all references to “supplier” to “offeror” for consistency.
5. Modifies the RESPONSIBILITIES section to be in accordance with the new procedures.
6. Deletes the exhibit (the letter referred to in 3d above).
